SUPPLEMENT TO CUMULATIVE INDEX TO PUBLICATIONS OF THE COMMITTEE ON UN-AMERICAN ACTIVITIES, 1955 AND 1956, INCLUSIVE

This is a supplement covering the years 1955 and 1956 to the "Cumulative Index to Publications of the Committee on Un-American Activities, 1938–54."

The fact that a name appears in this index is not per se an indication of a record of subversive activities. It simply indicates that said individual, publication, or organization has been mentioned in connection with testimony or a report submitted. A careful check of the references in the text of the report or hearing itself will determine the circumstances under which such person, publication, or organization is named.
